**SINGAPORE - 23 July 2024 -** Tuan Sing Holdings Limited ("Tuan Sing" or the "Group") has taken ownership of its recently announced S\$140.889 million acquisition of *Fraser Residence River Promenade*, a newly-completed mixed-use property at Jiak Kim Street, along the Singapore River.

First announced in May, the acquisition is part of the Group's broader growth strategy to expand its hospitality business in Singapore and the region.

The Singapore property which includes a conservation warehouse component is strategically located within Robertson Quay along the banks of the Singapore River, encompassing an up-and-coming business/tourist vicinity linked to the bustling Clarke Quay/Robertson Quay precinct.

All in there are 4-storey block of 72 serviced apartments, 3 conservation warehouses as well as 47 carpark lots.

Fraser Residence River Promenade will continue to be managed by Frasers Hospitality, a member of Frasers Property Group. This latest addition complements Tuan Sing Group's existing hospitality assets in Australia: the Grand Hyatt Melbourne and the Hyatt Regency Perth.

As part of its long-term strategy to expand its hospitality business, the Hyatt Regency Perth will no longer be managed by Hyatt after August 31, 2024. Following a mutually agreed termination of the management agreements with Hyatt, announced last month, the hotel will be re-positioned and rebranded.

The Group's hospitality business will be further expanded upon the completion of its Opus Bay project in Batam, Indonesia, an integrated township currently under development that includes hospitality offerings.

Hospitality is one of the four core business segments of the Tuan Sing group - the others being real estate development, real estate investment and other investments.
