SINGAPORE/PERTH – 27 November 2025 - Grand Hotel Group (“GHG”), a wholly-owned subsidiary of SGX-listed Tuan Sing Holdings Ltd, has announced the launch of **The Langley**, its flagship asset in Perth, combining Residence on Langley Park, 18 Terrace Road and Shoppe on Langley under a single identity, making it an iconic destination along the city’s riverside.

Long recognised as one of Perth’s most prominent riverside addresses, The Langley is being established as a landmark destination, seamlessly integrating accommodation, hospitality, business, and leisure in a connected riverside setting.

The name pays homage to its prestigious location overlooking Langley Park and the Swan River, setting a new benchmark for premium, mixed-use urban experiences in Western Australia.

“With The Langley, we are redefining riverside precincts in Perth,” said William Liem, Chief Executive Officer of Tuan Sing Holdings Limited. “By integrating premium accommodation, flexible commercial spaces, and dynamic retail and leisure offerings in one destination, we are delivering a precinct that reflects modern city life and the evolving needs of residents, businesses, and visitors alike. At the same time, The Langley enhances Perth’s appeal as a tourism destination, showcasing the city’s riverside lifestyle to both domestic and international travellers.”

At the heart of the precinct, Residence on Langley Park offers refined short and extended stay serviced accommodation, combining contemporary comfort, thoughtful design, and functional amenities. The property features 367 rooms and suites across the top nine levels, complemented by leisure facilities including a heated outdoor pool, sauna, and fully equipped gym.

In early 2025, 51 rooms were converted into serviced apartments, enhancing the range of accommodation options. Further upgrades scheduled for early 2026, including new pickleball courts, will elevate the guest experience and reinforce Residence on Langley Park as a benchmark for East Perth accommodation. This refresh reflects a broader vision to

create a precinct that thrives on community, generating jobs, supporting local suppliers, and fostering spaces where businesses and visitors can flourish, contributing meaningfully to Perth's economy and the continued growth of the riverfront as a vibrant destination.

Anchoring The Langley is the commercial precinct, 18 Terrace Road, which offers 14,800 square metres of flexible, light-filled office space across three expansive levels, creating a prestigious commercial address now available for lease. With panoramic views over Langley Park and the Swan River, hundreds of car bays, and direct access to retail, dining, and accommodation, the property provides a spacious and convenient workplace for WA-based corporates, mining, healthcare, and government tenants seeking a connected, modern environment.

Shoppe on Langley Park establishes the precinct as East Perth's vibrant retail and lifestyle hub. Beneath a striking 23-metre-high translucent canopy, the centre blends dining, health and wellness, lifestyle, beauty, and everyday convenience with natural light and a seamless indoor/outdoor experience. Its riverside connection to Langley Park makes it a community destination for work, leisure, and play.

The centre features a diverse mix of retail, dining, medical, and fitness services, including Foodies Market (IGA), Next Practice Medical Centre, LuxeGlo Medical Aesthetics, Porters Liquor, Zambrero, Langley Park Nails, and Perth's premier 24-hour boutique gym, The Track, with more retailers and lifestyle offerings soon to be announced, creating a versatile, community-focused destination.

Perfectly positioned at the gateway to the Perth CBD, The Langley offers unmatched connectivity and convenience within one kilometre of the city centre. The precinct is easily accessible via Perth's free transit zone and CAT bus network, placing guests and visitors within minutes of major attractions including Optus Stadium, Elizabeth Quay, Kings Park, Gloucester Park, and the Swan River.
